Work Experience

Web developer and programmer during my high school years in Nepal.
Volunteer during Nepal Earthquake rescue program.

Skills

Computer skills such as programming, web developing (HTML5, CSS/CSS3, JavaScript, PHP, MySQL), desktop publishing (word, excel, acrobat...), editing (audio, video, image) and many more as required.

Class Schedule

Free from 8am-8pm on Tuesday, Thursday, and weekends.
Free from 11am-8pm on Friday.
(Please refer to the appendix for full schedule regarding my classes.)

Times Available to Work

Anytime if I don't have class.

Objective

To gain experience in work and communication and prepare for internships.
To collect fund for my summer courses (as my scholarship fund won't be available during that period) so that I can go to graduate school early.
To collect fund for my research regarding robotics and technology... for e.g. to buy Arduino, Raspberry Pi, motors, and many more.
